4203 West Jefferson Blvd. • Fort Wayne, Indiana 46804 • 260.432.5533

With 20 years of experience creating beautiful interiors for customers in the Fort Wayne area, Cindy Friend knows a thing or two about design. As the co-creator of the Cindy Friend Lifestyle Center/Cedar Creek Homes Showroom, she works with clients to create a space that reflects their personality and lifestyle. Her home and design studio is a one-of-a-kind space in Fort Wayne that offers not only design ideas and Universal Design concepts, but also cooking classes, wine tastings and the latest trends found in metropolitan areas like Indianapolis and Chicago. Friend is the creator of numerous award-winning designs, has been the recipient of the People's Choice Designer awards, and has been featured on HGTV's "What you get for the money," as well as PBS's "Lifestyle Tips." But her world extends beyond her creative designs. She works with Junior Achievement, Turnstone, Embassy Theater and Francine's Friends.
